

WEBINAR ANNOUNCEMENT

“Progress and Layout of Carbon Capture Utilization and Storage in China”

Thursday 5 March 2020 08:00 EST / 14:00 CET / 21:00 CST

The Clean Energy Ministerial CCUS Initiative is delighted to invite you to a webinar entitled “Progress and Layout of Carbon Capture, Utilization, and Storage in China”.

CCUS is an important measure for China to tackle the dual challenges of energy security and climate security. Since 2006, the Chinese government has been committed to the development of CCUS technology, and has contributed to valuable demonstration experiences in a cost-effective way. By 2019, China had built more than 20 small-scale CCUS projects, including capture demonstration for thermal power plants, CO₂-EOR projects, and geological storage projects.

In this webinar, three speakers will introduce the latest development and progress of CCUS in China. Firstly, **Prof. Yi-Ming Wei** will share the *Roadmap for Carbon Capture, Utilization and Storage Technology in China (2019)*. Secondly, **Prof. Lan-Cui Liu** will introduce the optimized layout of CCUS worldwide and will speak about related investment from China’s perspective. Finally, **Dr. Jia-Ning Kang** will present the prospects of Carbon Capture and Storage in China’s power sector under the

global well-below 2°C targets.

The webinar will be held on Thursday 5 March at 8:00 a.m. Eastern Standard Time (UTC-5) / 14:00 Central European Time (UTC+1) / 21:00 China Standard Time (UTC+8). The session will last approximately one hour. On behalf of China, the webinar will be offered by the Center for Energy & Environmental Policy Research, Beijing Institute of Technology (CEEP-BIT), and the Administrative Center for China's Agenda 21. The webinar presentation will be followed by an interactive question and answer session with the audience.

The following experts from China will offer their insights in this webinar:

- **Yi-Ming Wei** | Professor, Lab Director and Vice-president | Beijing Institute of Technology, China
- **Xian Zhang** | Director | The Administrative Center for China's agenda 21
- **Lan-Cui Liu** | Professor | Beijing Normal University, China & Beijing Institute of Technology, China
- **Jia-Ning Kang** | Researcher | Beijing Institute of Technology, China
