OTHER UPDATES

The screenshot displays the Global CCS Institute website. At the top left is the logo for the Global CCS Institute, and at the top center is the CORE₂ logo. On the top right, there are navigation links for 'ABOUT US', 'CONTACT US', and a 'LOGIN' button. The main content area features a large image of a geological rock formation. Overlaid on this image is the word 'Storage' in a large white font, with a sub-headline: 'Evaluations of individual nations' storage resource development for deployment of CCS.' Below this is a 'Learn More' button. A dark green banner at the bottom of the main content area contains the text: 'DELIVERING NET-ZERO: MOBILISING FINANCE FOR CCS DEPLOYMENT' and '19 NOVEMBER 2019 | BUTCHERS' HALL, LONDON'. To the right of the main content is a vertical navigation menu with icons and labels: 'CCS FACILITIES', 'POLICIES', 'STORAGE', 'LEGAL & REGULATORY', 'CCS REQUIREMENT', 'CCS READINESS INDEX', and 'CLIMATE CHANGE'.
