

CSLF Strategic Plan Australia and European Commission

OVERVIEW

Ms Tania Constable (Australia)

Mr Angel Perez Sainz (European Commission)

Background

- Oct 2005- Tasked at Berlin Meeting to prepare a joint paper to 'continue the development of the CSLF Strategic Plan; future of CSLF Management and Structure' for consideration of Task force members (**Australia, Canada, Columbia, EC, India, Italy, Mexico, Saudi Arabia, UK and US**)

March 2006- Consideration of Strategic Plan by CSLF Members

Strategic Plan includes:

- Strategic Overview
- Action Plan for 2006-2009
- Management Structure

Strategic Overview

Long Term Goal

To have the foundation in place by 2013 for the wide adoption of Carbon Capture and Storage as a commercially viable option in both developed and developing countries where practicable no later than 2020 through:

- CCS Technology development and deployment, policy framework, capacity building, emphasis on capacity building in developing economies, public acceptability and acceptance, involvement of stakeholders, collaboration with other international organisations
- Shared Vision with specific goals a long term Strategy Plan and a Medium Term Action Plan for CSLF
- An active steering and monitoring role of the CSLF by the Policy Group, to enhance the efficiency and effectiveness (continuity of work flow between meetings)

Action Plan

- **Strategies**

- Prioritization of key outputs from 2006-2009
- Technology development and deployment
- Policy and Legal Framework
- Capacity Building
- Public Awareness and Acceptability
- Involve Stakeholders
- Collaboration with other international organisations

- **Each strategy has key outputs and assigned responsibilities**

- **Policy Group to establish ad hoc taskforces to deliver key outputs**

Management Structure

- CSLF structure as indicated in the Charter will remain the same
- Proposal to include an informal advisory group to assist the policy group (and Secretariat).
- Role is to assist in the preparatory process (agendas, identification of issues at PG or TG level proposals for taskforces
- Informal advisory group includes Chair and Vice Chairs of the Policy Group and the Chair of the Technical Group, Secretariat, one representative of the 3 main regions of the Americas, Asia-Pacific and Europe, Taskforce Chairs and a Stakeholder representative
- Will communicate via teleconference quarterly

Next Steps

- **Recommendation** for members to support strategic plan, action plan
- **Recommendation** for members to support informal advisory group
- **Recommendation** for members to commence action plan activities
- **Recommendation** strategic plan review to be standing agenda item on Policy and Technical Groups
