Secretariat Report to PIRT

CSLF Recognized Projects

- As of August 2018: 54 recognized projects
 - 32 are active; 22 have been completed
 - Wide geographical distribution: projects are located on five different continents
 - <https://www.cslforum.org/cslf/Projects/Summaries>
- This meeting: no new projects proposed for CSLF recognition, but...
 - ENOS to receive CSLF recognition after approval by Policy Group on 17 October

Secretariat Report to PIRT

Outcomes from Apr. 2018 Meeting

- The PIRT recommended approval by the Technical Group for the Enabling Onshore CO₂ Storage in Europe (ENOS) Project.

Secretariat Report to PIRT

Outcomes from Apr. 2018 Meeting

- There was consensus that measuring progress on recommendations from the 2017 TRM is one of the PIRT's most important areas of interest.

Actions from Apr. 2018 Meeting

- Secretariat to set up an offline discussion for PIRT delegates to develop details for moving forward on finding ways to measure progress on TRM recommendations.

Superseded by Technical Group outcome at its meeting the next day

Actions from Apr. 2018 Meeting

- Secretariat to produce summaries of questions or comments about projects being reviewed by PIRT for CSLF recognition.

Summaries to be made available prior to the PIRT meetings where the projects are to be reviewed.
