

# **REPORT OF THE POLICY GROUP TO THE JOINT MEETING WITH THE TECHNICAL GROUP**

**by James A. Slutz**

**April 16, 2008**

## Policy Group Decisions

- ✓ Update the CSLF Strategic Plan over the next year.
  - Task Force from Policy and Technical Groups and stakeholders
  - CSLF will develop information based on demonstration projects.
- ✓ CSLF supports recommendations to G8 from the Calgary workshop through a resolution to G8 governments and IEA Governing Board.
  - CSLF will have a role in implementation.
- ✓ Financial Issues Task Force report will be clarified with Task Force members' input.
- ✓ Capacity Building Task Force plans new workshops/other activities.
  - Funding remains a concern.

## Policy Group Decisions (Continued)

- ✓ No consensus was reached on “seat at table” for stakeholders; discussions to continue after break.
- ✓ Communications to raise profile of CSLF
  - Short-term: Task Force to implement
  - Longer-term: Incorporate in updated strategic plan
- ✓ Netherlands will host CSLF Meeting in 2010.
- ✓ CSLF will support inclusion of CCS in CDM by providing comments to the CDM Board requested by June.
- ✓ CSLF will be represented by members at IEA Regulatory Forum.
- ✓ Secretariat will develop incentives registry.
