

Review of Action Items from Beijing PIRT Meeting

John Panek
CSLF Secretariat

June 11, 2012

Summary of Action Items

Item	Lead	Action
1	Chairman, TF Leaders	Develop the parallel Gaps Checklists concept and provide a recommendation to the PIRT on how to proceed in this area.
2	Secretariat	Circulate a listing of twelve Actions in the Technical Group Action Plan to Technical Group delegates with the request that each CSLF Member rank them by priority of importance. Compile the responses in a centralized manner and provide the resulting ranking to the Technical Group Chairman for future action.
3	Secretariat	Solicit ideas for additional Action Plan items from Technical Group delegates.
4	Secretariat	Remove country-specific CCS activities from future versions of the CSLF Technology Roadmap and instead migrate these activities to the “CSLF Members” section of the CSLF website where they will be updated annually.
