

# Update on Progress in Developing the 2013 CSLF Technology Roadmap

**CSLF Technical Group Meeting, Perth October 25, 2012**

*Trygve U. Riis, Norway*

Technical Group Meeting, Perth, Australia, October 25, 2012

# 2013 CSLF TRM

- It was decided in Bergen to make a new TRM in time for the Ministerial
- It should be a major revision, and much shorter with emphasis on the most important messages to Ministers and other Politicians
- A Steering Committee – lead by TG Chair, with Vice-Chairs, TF leaders and Secretariat – should be established.
- The SC should agree on a scope and outline for the TRM
- TG Chair was encouraged to contact IEA, Paris, to discuss collaboration in developing road maps
- **The Scoping paper is in the electronic TG book**

# Meeting with IEA

- Contact with IEA through Stefan
- TG Chair met with Ellina Levina in Paris, October 12
- Very positive approach for collaboration
- IEA focus mainly on policy, regulatory issues, legal, public acceptance etc.
- Very interested in technical input from us
- IEA has established an Advisory Board; SINTEF participates, we can discuss with them
- Tony SurrIDGE also member of AB
- Stakeholder meetings in Kyoto and Paris

# Further process

- RCN applied for, and received support from Ministry of Petroleum and Energy to hire a consultant
- Offer from SINTEF accepted, contract after TG meeting
- Three well qualified SINTEF researchers will work with Lars Ingolf Eide – editor of the TRM
- The TG Steering Committee (SC) will be consulted several times during the process

# Proposed time schedule

- **Status and assessment, draft: December 10.**
  - Based on GCCSI, Climit, EU ZEP etc.
  - One week consultation with the SC - Contact with IEA
- **Define priorities for R,D&D activities, draft list, not detailed: First week of January**
  - One week consultation with the SC. – Possible contact with IEA
- **Continued work with text for prioritized activities**
  - Draft for consultation with SC, telecon if needed: End of February
  - Draft to the TG meeting in Italy (not one month in advance!)
  - Have a full day meeting with SC in Italy, just before TG

# Proposed time schedule cont.

- **Complete prioritized activities: June**
- **Recommendations for implementation, draft: June**
  - Discussion in SC
- **Follow-up plan, draft: June**
  - Discussion in SC
