

CSLF PROJECT SUBMISSION FORM

PROJECT TITLE:

PROJECT LOCATION:

Please provide the city (or nearest town), the state/province/region, and the country.

PROJECT GOAL:

Please provide a simple and to-the-point explanation in one or two sentences that can be easily understood by someone with no prior knowledge of the project.

PROJECT OBJECTIVES:

Please provide a breakdown of the Project Goal into the constituent steps comprising the whole. Use bullet points to separate the steps.

PROJECT DESCRIPTION (non-technical):

Please provide a concise synopsis of the project (who, what, why, where and how) with easily understandable descriptions of the associated science and goals. Target audience: policy makers, press, adult non-scientific community.

PROJECT DESCRIPTION (technical):

Please provide a more detailed technical description of the project with all significant information, including the estimated greenhouse gas mitigation impact of the project. Target audience: engineers and scientists.

PROJECT TECHNOLOGIES:

Please check all that apply.

CO₂ Capture _____

CO₂ Transport _____

CO₂ Storage with Enhanced Oil Recovery _____

CO₂ Storage with Enhanced Coal Bed Methane Recovery _____

CO₂ Storage with Enhanced Natural Gas Recovery _____

CO₂ Storage with No Secondary Recovery _____

CO₂ Measurement, Monitoring, and Verification of Storage (MMV) _____

Identification of potential CO₂ storage sites _____

Identification of target CO₂ sources _____

Economic and/or Environmental Evaluation and/or Risk Assessment _____

Other (please describe):

PROJECT TIMELINE:

Please provide the project start date, any milestone events (listed chronologically), and the end date. Use most realistic timeline available. Use official (contract signing, etc.) start date. End date should reflect contractual timeline if possible. Use bullet points.

Please also provide answers to the following questions:

Has the project already progressed through the early phases of planning, such as (but not exclusively) documenting the project scope, outputs and outcomes? _____

Has the project management identified the magnitude of resource requirements sufficient to achieve the major milestones of the project? _____

Has the project management identified funding sources for the project? _____

Will the project be able to meet its major milestones prior to the expiration of the CSLF Charter (currently 2013)? _____

INFORMATION AVAILABILITY:

Please provide a description of the types of information that will be made available from the project and the outcomes that would be achieved by the project. Please also provide information about the relevance of the project to the overall aims of the CSLF and to carbon capture and storage technology in general.

Please also provide answers to the following questions:

Is the project management willing to share non-proprietary project information with other CSLF Members? _____

Will the expected information from the project be sufficient to allow others to make informed estimates of the technology's potential technical performance, costs, and benefits for any future applications? _____

*Will English-language project summaries be available for posting at the CSLF website? _____
(Please also provide details on how, and how often, these summaries and other project information will be made available.)*

DISSIMILARITY TO OTHER CSLF PROJECTS:

Please provide a short description of how the proposed project is non-duplicative of other CSLF-recognized projects, or where there are similarities, please identify how the commonality of research topics could be coordinated and shared learnings developed between the similar projects.

RELEVANCE TO CSLF GAPS ANALYSIS:

Please provide an indication of what aspects of the CSLF Gaps Assessment are likely to be addressed in the project outcomes, or if new technology gaps have been identified, list those that are planned to be addressed.

PROJECT CONTACTS:

Please provide name and contact information (including telephone and e-mail) for the project manager or coordinator. Please also provide name and contact information (including telephone and e-mail) for the person who will handle any requests for site visits by representatives of CSLF Members.

Please also provide an answer to the following question:

What restrictions, issues, or costs will be assumed by any visitors to the project site?

OTHER PROJECT TEAM MEMBERS:

Please provide a listing of all entities, with points of contact, who are participating in this project. If available, please also include a management structure diagram or otherwise indicate the role of each participating entity.

PROJECT WEBSITES:

Please provide the web address of the main project website, if one exists. If available, please also provide the web addresses of other project-related websites such as workshops, project presentations, etc.

PROJECT NOMINATORS:

In order to formalize and document the relationship with the CSLF, the representatives of the project sponsors and the delegates of Members nominating the project must sign a Project Submission Form specifying that relationship before the project can be considered.
